WHERE DOES THE FOOD COME FROM?

HOW IS THE FOOD DISTRIBUTED?

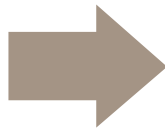

Via our Programs

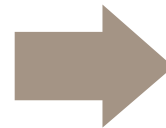

WHAT HAPPENS TO THE LEFTOVERS?

We distribute more than

95%
of all food we acquire.

Of the remaining 5%,
75% is donated
to farmers and organizations to be used for animal feed and compost.

Less than 1%
of everything we start with
ends up in the landfill.

We served more than
40,000
individuals
facing food insecurity.

5,209
volunteers
served more than
65,134 hours.

We helped
2,151
households apply for SNAP benefits, bringing
\$5.6 million*
in economic benefit to the local economy.
